Interventional Neurology Market Global Briefing 2017 Including: Aneurysm Coiling & Embolization Devices, Support Devices, Cerebral Balloon Angioplasty & Stenting Systems And Neurothrombectomy Devices Covering: Stryker Corporation, Medtronic Plc (Covidien), DePuy Synthes Companies (a subsidiary of J&J), Terumo Corporation, Penumbra Inc

The global interventional neurology market was estimated to be around \$1.74 billion as of 2016. The global interventional neurology made up around 20% of the overall neurology devices market in 2016. The interventional neurology market was the second largest market in the global neurology devices market in 2016.

Interventional Neurology Market Global Briefing 2017 from The Business Research Company provides the strategists, marketers and senior management with the critical information they need to assess the global interventional neurology market.

Reasons to Purchase

- Get up to date information available on the interventional neurology market globally.
- Identify growth segments and opportunities.
- Facilitate decision making on the basis of historic and forecast data and understand the drivers and restraints on the market.
- Develop strategies based on likely future developments.
- Gain a global perspective on the development of the market.
- Report will be updated with the latest data and delivered to you within 2-3 working days of order.

Description

The Interventional Neurology Market Global Briefing Report from The Business Research Company covers market characteristics, size and growth, segmentation, regional breakdowns, competitive landscape, market shares, trends and strategies for this market.

The interventional neurology market is one of the segments in the neurology devices market, within the medical equipment market.

The market characteristics section of the report defines and explains the market.

The market size section gives the interventional neurology market revenues, covering both the historic growth

of the market and forecasting the future.

Drivers and restraints looks at the external factors supporting and controlling the growth of the market.

Market segmentations break down the key sub sectors which make up the market. The regional breakdowns section gives the size of the market geographically.

Competitive landscape gives a description of the competitive nature of the market, market shares, and a description of the leading companies. Key financial deals which have shaped the market in the last three years are identified.

The trends and strategies section highlights the likely future developments in the interventional neurology market and suggests approaches.

Scope

Markets Covered: Aneurysm Coiling & Embolization Devices, Support Devices, Cerebral Balloon Angioplasty & Stenting Systems And Neurothrombectomy Devices.

Companies Mentioned: Stryker Corporation, Medtronic Plc (Covidien), DePuy Synthes Companies (a subsidiary of J&J), Terumo Corporation, Penumbra Inc.

Countries: Brazil, China, France, Germany, India, Italy, Japan, Spain, Russia, UK, USA and Australia.

Regions: Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East And Africa

Time series: Five years historic and forecast.

Data: Market value in \$ billions.

Data segmentations: Regional breakdowns, market share of competitors, key sub segments.

Sourcing and Referencing: Data and analysis throughout the report is sourced using end notes.
