# United States Hospital Supplies Market Outlook to 2025 - Disposable Hospital Supplies, Hospital Beds, Operating Room Equipment and Others

United States Hospital Supplies Market Outlook to 2025 - Disposable Hospital Supplies, Hospital Beds, Operating Room Equipment and Others

## Summary

GlobalData's new report, United States Hospital Supplies Market Outlook to 2025, provides key market data on the United States Hospital Supplies market. The report provides value, in millions of US dollars, volume (in units) and average prices (USD) within market categories - Disposable Hospital Supplies, Hospital Beds, Mobility Aids and Transportation Equipment, Operating Room Equipment, Patient Examination Devices, Sterilization Equipment and Syringes and Needles.

The report also provides company shares and distribution shares data for each of these market categories, and global corporate-level profiles of the key market participants. Based on the availability of data for the particular market and country, information related to pipeline products, news and deals is available in the report.

Extensive interviews are conducted with key opinion leaders (KOLs), physicians and industry experts to validate the market size, company share and distribution share data and analysis.

## Scope

- Market size and company share data for Hospital Supplies market categories - Disposable Hospital Supplies, Hospital Beds, Mobility Aids and Transportation Equipment, Operating Room Equipment, Patient Examination Devices, Sterilization Equipment and Syringes and Needles.
- Annualized market revenues (USD million) and volume (units) data for each of the market categories. Data is provided from 2015 to 2025.
- 2017 company share and distribution share data for Hospital Supplies market.
- Global corporate-level profiles of key companies operating within the United States Hospital Supplies market.
- Key players covered include 3M Health Care Ltd, Becton Dickinson and Co, Cardinal Health Inc, McKesson Corp, Stryker Corp, and Others.

## Reasons to buy

- Develop business strategies by identifying the key market categories poised for strong growth in the future.
- Develop market-entry and market expansion strategies.
- Design competition strategies by identifying who-stands-where in the market.
- Develop investment strategies by identifying the key market categories expected to register strong growth in

the near future.

- What are the key distribution channels and what's the most preferred mode of product distribution - Identify, understand and capitalize.
