Building Strong Cross-Functional Medical Affairs Teams

BioPortfolio has been marketing business and market research reports from selected publishers for over fifteen years. BioPortfolio offers a personal service to our customers with dedicated research managers who will work with you to source the best report for your needs. Based in the UK, BioPortfolio is well positioned to coordinate our customers' orders sourced from over 50 global report publishers.

We are pleased to present details of this report to assist your buying decision and administrative process. You will find easy-to-use *How To Buy* information on the last page of this document.

We look forward to being of service to you.

If you have bulk and/or recurring requirements, please get in touch - we can liaise with publishers to obtain sample pages and negotiate discounts on your behalf.

Building Strong Cross-Functional Medical Affairs Teams

Introduction

Could your Medical Affairs team be better integrated for more effective cross-functional working that drives performance improvement?

Building Strong Cross-functional Medical Affairs Teams examines how numerous pharma companies are working to leverage the potential of Medical Affairs in today's healthcare environment.

Gain insights on why cross-functional collaboration is essential in order to meet current and future challenges. Discover how Medical Affairs teams are playing a pivotal role in reshaping pharma business models and structures. Learn from real-world case studies that depict how companies like Astellas, Baxter, Boehringer Ingelheim and Novartis are integrating the Medical Affairs function more fully to achieve better results.

Medical Affairs is now uniquely positioned to provide cross-functional teams with valuable scientific and market knowledge at every stage of the product lifecycle. How can your company best leverage the new opportunities?
