Metals & Mining in Malaysia

Metals & Mining in Malaysia

Summary

Metals & Mining in Malaysia industry profile provides top-line qualitative and quantitative summary information including: market size (value and volume 2014-18, and forecast to 2023). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

- The metals & mining industry consists of the aluminum, iron & steel, precious metals & minerals, coal and base metal markets.
- The Malaysian metals & mining industry had total revenues of \$4.5bn in 2018, representing a compound annual growth rate (CAGR) of 0.1% between 2014 and 2018.
- Production volume increased with a CAGR of 1.3% between 2014 and 2018, to reach a total of 9.9 million metric ton in 2018.
- Since 2017, production of crude steel in Malaysia has increased significantly from 2.76 million tons in 2016 to 4.1 million tons in 2018. Likely in response to international trade opportunities exposed by the US- China trade dispute.

Scope

- Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the metals & mining market in Malaysia
- Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the metals & mining market in Malaysia
- Leading company profiles reveal details of key metals & mining market players' global operations and financial performance
- Add weight to presentations and pitches by understanding the future growth prospects of the Malaysia metals & mining market with five year forecasts by both value and volume

Reasons to Buy

- What was the size of the Malaysia metals & mining market by value in 2018?
- What will be the size of the Malaysia metals & mining market in 2023?
- What factors are affecting the strength of competition in the Malaysia metals & mining market?
- How has the market performed over the last five years?
- What are the main segments that make up Malaysia's metals & mining market?
