Global Ethyl Acrylate Market by Application (Surface Coating, Adhesive and Sealant, Plastic Additive, Detergent, Textile and Others) by Geography (North America, Europe, Asia-Pacific, and Rest of the World) - Analysis and Forecast to 2019

This market research report covers in-depth analysis of the global ethyl acrylate market. It divides the market on the basis of application and geography. The market data for these types is given with respect to volume (Kilo Tons) and value (\$ million). The global ethyl acrylate market is projected to grow at a CAGR of 4.6% from 2014 to 2019. Asia-Pacific dominated the global ethyl acrylate market, and accounts for the highest CAGR of 6.6% during the forecast period.

The application segment of this market is further classified into surface coating, adhesive & sealant, plastic additive, detergent, and textile among others. On the basis of geography, the market is segmented into North America, Europe, Asia-Pacific, and RoW.

Adhesives & sealants is the fastest-growing application segment that is projected to grow at a CAGR of 5.2% from 2014 to 2019. This growth is mainly attributed to the technological developments made in the field of ethyl acrylate.

The impact of varied factors, such as drivers, inhibitors, and opportunities is also illustrated in the report. Key companies thriving in this market include BASF SE (Germany), Sasol Ltd. (South Africa), China National Offshore Oil Corporation (China), and LG Chemicals (South Korea).

Reasons to Buy the Report:

From an insight perspective, the research report has focused on various levels of analysis- market shares of top players, supply chain, and company profiles, which together comprise and discuss basic views on the competitive landscape of ethyl acrylate market, high-growth regions & countries and their respective drivers, and restraints.

The report seeks to enrich established firms as well as new entrants and smaller firms to gauge the pulse of the market, which in turn will help the firms garner a greater market share.

The report provides insights on the following pointers:

- Market Penetration: Comprehensive information on ethyl acrylate offered by top players in the market
- Product Development/Innovation: Detailed insights on upcoming technologies, research & developments activities, and new product launches in the market
- Market Development: Comprehensive information on emerging markets
- Market Diversification: Exhaustive information on new products, untapped geographies, recent developments, and investments in the market
- Competitive Assessment: In-depth assessment of market share, strategies, products, and manufacturing capabilities of leading players in the market
