Advanced Glass Market by Type (Laminated Glass, Coated Glass, and Toughened Glass), End Use Sector (Commercial Construction, Residential Construction, Infrastructure, Automobiles, Electronics, Sports & Leisure), & by End Use Application (Safety & Security, Solar Control, Optics & Lighting, and High Performance) - Trends & Forecasts to 2020

BioPortfolio has been marketing business and market research reports from selected publishers for over fifteen years. BioPortfolio offers a personal service to our customers with dedicated research managers who will work with you to source the best report for your needs. Based in the UK, BioPortfolio is well positioned to coordinate our customers' orders sourced from over 50 global report publishers.

We are pleased to present details of this report to assist your buying decision and administrative process. You will find easy-to-use *How To Buy* information on the last page of this document.

We look forward to being of service to you.

If you have bulk and/or recurring requirements, please get in touch - we can liaise with publishers to obtain sample pages and negotiate discounts on your behalf.

Advanced Glass Market by Type (Laminated Glass, Coated Glass, and Toughened Glass), End Use Sector (Commercial Construction, Residential Construction, Infrastructure, Automobiles, Electronics, Sports & Leisure), & by End Use Application (Safety & Security, Solar Control, Optics & Lighting, and High Performance) - Trends & Forecasts to 2020

The advanced glass market has grown exponentially in the last few years and this trend is projected to continue. The market was valued at \$35.76 billion in 2014. It is projected to grow at a CAGR of 9.6% from 2015 to reach \$61.75 billion by 2020. The market is primarily driven by factors such as increasing disposable income, changing lifestyle and urbanization

The advanced glass market is led by North America, followed by Asia-Pacific. China is the most dominating advanced glass market in the Asia-Pacific region, and the U.S. is the dominating market in North America. Asia-Pacific is projected to be the fastest-growing advanced glass market globally for the period under consideration. The market is projected to grow significantly at a CAGR of 10.00% during 2015 to 2020. Argentina is the major market in the Rest of the World region, owing to increasing population, awareness, and increasing expenditure on advanced glass products.

In this report, the advanced glass market has broadly been segmented on the basis of type, application, end use, and geography. Investment & expansions formed the most preferred growth strategy in the advanced glass market. The purpose for adopting this strategic expansion is that it results in better increasing geographic presence and clientele. Major players such as Saint-Gobain Glass (France), Asahi Glass Co., Ltd. (Japan), PPG Industries, Inc. (U.S.), Corning Inc. (U.S.), Guardian Industries (U.S.), and Nippon Sheet Glass Co., Ltd. (Japan) collectively accounted for the key stake of the global advanced glass market and are mainly focusing on strengthening their product range. The major players in the market are Key companies in the advanced glass market are Pittsburgh Plate Glass (PPG) Industries (U.S.), Asahi industries Co. (Japan), Saint Gobain (France), Corning Inc. (U.S.), and Nippon Sheet Glass (Japan), which have a major presence in the global advanced glass market. The market is competitive, with leading players being involved in the research & development of new advanced glass products and its application.

How to Buy...

Advanced Glass Market by Type (Laminated Glass, Coated Glass, and Toughened Glass), End Use Sector (Commercial Construction, Residential Construction, Infrastructure, Automobiles, Electronics, Sports & Leisure), & by End Use Application (Safety & Security, Solar Control, Optics & Lighting, and High Performance) - Trends & Forecasts to 2020

Option 1 - Online

Go to our website and pay online with any major debit or credit card:

<https://www.bioportfolio.co.uk/product/41663>

Option 2 - Request a Proforma Invoice

Fill in the details below, and **Scan** this page **and email** it to us at bioportfolio97@gmail.com We will send you a Proforma Invoice and deliver your report on settlement.

Your Name:

Job Title:

Your Email:

Your Contact Phone:

Company Name:

Address:

Post/Zip Code:

Country:

P.O. Number:

Any Other Instructions:

Pricing Options: (please tick one)

- \$7150** | Single User Price
- \$8500** | Multi User Price
- \$9650** | Corporate License Price
- \$11000** | Global License Price

Payment Options: (please tick one)

- Online Credit Card** (we will email you the invoice with a payment link)
- Direct Wire Transfer** (we will email you the invoice with our bank details)

Authorising Signature:

Option 3 - Phone Us on +44 (0)7887 945155

We will be delighted to give you our personal attention.
