# Europe Home Healthcare And Residential Nursing Care Services Market Report 2017 Including: Home Healthcare Services And Nursing Care Services Covering: NHS, Kindred Healthcare, Golden Living, Brookdale Senior Living, Ensign Group, Healthsouth, Amedisys, Genesis Healthcare

IoT Driving Home Healthcare Market was the the most recent trend observed in the home healthcare and residential nursing care services market. Many home health care companies are implementing IoT solutions to monitor and track health of chronically ill and geriatric patients. They are adopting these tools to deliver better quality service to patients. For instance, Qualcomm and Philips IoT application reduces readmission costs

Home health care refers to wide range of health care services that are provided to individuals at their residence for any illness or injury. Residential nursing care refers to provision of long- or short-term care for individuals who suffer from serious or persistent health issues or need recuperation services.

## Reasons to Purchase

- Outperform competitors using accurate up to date demand-side dynamics information.
- Identify growth segments for investment.
- Facilitate decision making on the basis of historic and forecast data and the drivers and restraints on the market.

Create regional and country strategies on the basis of local data and analysis.

Stay abreast of the latest customer and market research findings

- Benchmark performance against key competitors.
- Develop strategies based on likely future developments.
- Utilize the relationships between key data sets for superior strategizing.
- Suitable for supporting your internal and external presentations with reliable high quality data and analysis
- Gain a global perspective on the development of the market.

## Description

Where is the largest and fastest growing market for home health care and residential nursing care services? How does the market relate to the overall economy, demography and other similar markets? What forces will shape the market going forward? The home health care and residential nursing care services global market report from the Business Research Company answers all these questions and many more.

The report covers market characteristics, size and growth, segmentation, regional and country breakdowns, competitive landscape, market shares, trends and strategies for this market. It traces the market's historic and forecast market growth by geography. It places the market within the context of the wider healthcare services

market, and compares it with other markets.

- The market characteristics section of the report defines and explains the market.
- The market size section gives the market size (\$b) covering both the historic growth of the market and forecasting the future. Drivers and restraints looks at the external factors supporting and controlling the growth of the market.
- Market segmentations break down market into sub markets that are home health care services and residential nursing care services.
- The regional and country breakdowns section gives an analysis of the market in each geography and the size of the market by geography and compares their historic and forecast growth. It draws comparisons with country populations and economies to understand the importance of the market by country and how this is changing.
- Competitive landscape gives a description of the competitive nature of the market, market shares, and a description of the leading companies. Key financial deals which have shaped the market in recent years are identified.
- The trends and strategies section highlights the likely future developments in the market and suggests approaches companies can take to exploit this.
- The home health care and residential nursing care services market section of the report gives context. It compares the home health care and residential nursing care services market with other segments of the healthcare services market by size and growth, historic and forecast. It analyses Expenditure Per Capita, Expenditure Per Household, Elderly Population across selected countries.

## Scope

Markets covered: Home Care Providers, Nursing Care Facilities, Orphanages & Group Homes, Retirement Communities.
